**What is the congregation's or organization's vision for ministry:**

A community of faith seeking and sharing the light of Christ in service to the world.

In 1957, Trinity was established in a growing family neighborhood. We remain committed to fostering growth, with a focus on appealing to younger families while maintaining our traditions and attention to senior members. Our goal is to prayerfully nurture people of all ages and stages of faith toward Christian maturity by the way we live, learn, worship, fellowship, serve, and care for God's kingdom together. Trinity is a community of love demonstrating support and respect for each other. We encourage each other, giving freedom to seek and discover while providing means to grow in our individual purpose. Service is the hallmark of Trinity's congregation utilizing our talents, energy, imagination and love in response to God's love and call to action. Our fellowship activities develop sincere and lasting relationships between Christians of all ages to bolster the personal witness, love, support, and mentoring among members of the Church family.

**How do you feel called to reach out to address the emerging needs of your community or constituency:**

We are a family of faith that enjoys living out the compassion and caring of Christ. Trinity supports our members' involvement in a myriad of activities, avenues and arenas of service. We support their passions and initiatives to meet the needs from Pensacola to Peru to Uganda. Our strong weekday preschool, our children & youth service projects, our community presence and service, our long-time partnerships with local agencies, our worship, music, congregational care program and world mission endeavors all witness to God's love and power at work in and through our members. We equip our children, youth and adults with opportunities to serve and foster the development of Christian character, believing that when we serve we become more like Christ.

**How will this position help you to reach your vision and mission goals:**

This person will provide leadership and education to our children and youth ministry teams focusing on the Word of God and incorporating the love of Jesus throughout their programs. He/she will introduce effective programming to build and address the needs/desires of our children, youth, and their families. He/she will engage with the congregation to forge relationships in order to encourage adults to participate in our children and youth programs. We are committed to providing fresh and exciting programming for our children and youth ministries teaching them to fully participate in the life of the church and to be the hands and feet of Jesus in their world.

**Provide a description of the characteristics needed by the person who is open to being called to this congregation and or organization:**

When you walk down the hall the children and youth are excited to see you. You share yourself, your story, and your faith with humility: people know the real you. You are confident and comfortable working within Presbyterian Polity and Reformed Theology.

You are organized, prepared, and dependable in committee/team work. You support and motivate others and they rally around you. You are willing to try new things. You work well with diverse people of all ages. Your youthful energy and good judgment are easily recognized. Bringing scripture and the gospel into your life, conversations, and advice, you help others to do the same. Your knowledge & passion for scripture is evident and people recognize your love for God. You love to teach. You create in others a thirst for a relationship with God and help them to nurture that relationship both inside and outside of the church walls.
