Brief Church Mission Statement:

Love God, Love People, Push Back Darkness

What is the congregation's or organization's vision for ministry:

Our vision is based upon our Mission Statement

Love God

- We believe in One God – Father, Son, and Holy Ghost (Blessed Trinity)
- We go out of our way to present a clear picture of the positive, hopeful, life-changing message of Jesus Christ
- We love God through weekly Christ-Centered, reformed worship in both traditional and contemporary services
- We nourish our love of God by fellowship and study in small groups and by including our youth in all we do

Love People

- Our commitment is to accept, value, and never to judge
- To always increase involvement in our community and with our congregation through our own events
- By reaching out through online services, sharing communion with the homebound, and connecting through phone calls we show our love for each other
- Be intentional with sharing God's word through our actions

Push Back Darkness by Sharing God's Light

- Our church donates food and volunteers at Dunedin Cares, our local food pantry, to help the food insecure
- Working in our local community with home improvement and yard work projects
- Reaching out to local families at Christmas to help with the holidays
- We want to continue to expand upon our local mission to the community
- We connect with the grief-stricken or other people in need through our Stephen Ministry. Would like to include more communication with widows and seniors
- We hope to return to annual global missions to Honduras partnering with HOI (prior to COVID, we had done 12 missions)

How do you feel called to reach out to address the emerging needs of your community or constituency:

St. Andrews started in 1957 and has been committed to reaching the growing and changing needs of our community in a time when the church was taking on a new shape, just like what is happening in our society now. We would like someone to join us and think of new ways to spread Jesus' love. We strive to cultivate an atmosphere of genuine welcome to all, to care for those associated with our congregation, and to encourage our congregation to become a more integral part of our community.

- Contemporary and Traditional worship services to meet a variety of needs.
- Online presence with both worship services, daily Facebook, and Instagram posts
- Active welcome center and visitor follow-up which leads to our new member class.
- Would like to be a gathering place for our community to partner with organizations (mental health, youth programs, safety programs, etc...)
- Think outside the box and challenge the status quo.

How will this position help you to reach your vision and mission goals:

A pastor for St. Andrews that will help us to reach our vision and mission goals will:

- Be a dynamic speaker that plans and leads worship and preaches sermons with the sensitivities to the needs of the congregation.
- Be someone that helps to make the church relevant to a younger demographic while maintaining our established congregation.
- Be a visionary and a light to guide our faith so we can minister to our community.
- Provide pastoral care and help others to cope with change.
- Provide leadership and a sense of direction to the lay leadership of the church and staff.
- Review mission goals and encourage the forward movement and growth of the body through global and local mission.
- Continue to manage the organizational effectiveness of our church for long term stability for our church and community.
